But the coolest place in Izmir is Karşıyaka and Bostanlı where our Language Center is based. We are situated a stone's throw from the seaside with many cafes, bars and restaurants. Karşıyaka is the best place to live in Izmir and well known for its cosmopolitan community. Our Students benefit from the laid-back atmosphere, fresh sea air and a wealth of things to see and do.

Izmir bears the general characteristics of the Mediterranean climate zone. It is rainy in winter and hot in summer. As it is the case for Izmir's entire coastline. Karşıyaka benefits on a daily basis from the famous north-west wind called "ımbat" and which cools the city during summer days.

Izmir is surrounded by famous beach resorts like Çeşme, Kuşadası, Foça, Özdere and Mordoğan which are now easily accessible by local bus and metro (Izban).

The symbols of Foça are cockerel seals and stone houses. Foça contain impressive archeological attraction like Satan Bath House, Siren Rocks, Kybele Outdoor Temple.

Izmir is a multicultural city and third biggest City in Turkey now but was also home to the Amazons, Lydians, Persian, Romans, Arabs, Ummayyads, Byzantines, Seljuks and Ottoman throughout the thousands years of history.

The City's symbol is the Saat Kulesi (clock tower) next to the Governor's Office and the Monumental statue of Hasan Tahsin who fired the first bullet in the war of Liberation.

Konak Pier and Alsancak Kordonboyu. You can enjoy here romantic sunsets, sea breezes, cafes, fish restaurants. Kemeraltı bazaar is a historic bazaar which is an important shopping district which includes 15.000 small and large shops. Kadifekale and Asansör is the best place to enjoying panoramic view of Izmir.
